Research Interests

I am interested in the intersection of law, economics, and technology. Currently I am focusing on the treatment of patents in international agreements, and how that treatment affects trade.

Education

Ph.D. Candidate, School of Economics, University College Dublin (UCD) 2017 – Present.

J.D. Chicago-Kent College of Law, 2015.

Member, Illinois Bar 2015 – Present.

M.S. Finance, Illinois Institute of Technology (IIT), 2016.

Thesis: A Patent's Worth a Thousand Words: Determining Patent Quality with Text Classification.

B.S. Applied Economics, Illinois Institute of Technology, 2016.

B.S. Finance, Illinois Institute of Technology, 2014.
